Dear Parents

It is hard to believe we are in the final few weeks of the summer term, with many of our children starting school in September. We hope the children throughout the centre continue to enjoy the various activities on offer over the coming weeks.

The Nursery

Once again the nursery children have had the chance to experience a wide variety of activities. Following on from their visits to 'Forest School' at Anstey Junior School the children will shortly have the opportunity to explore the woods at Alice Holt. Over the past few weeks they have also continued to enjoy learning about life cycles and as well as the 'Living Eggs' experience they were able to see pupae develop into butterflies.

The Children's Centre

Both 'Dad's Matter' and the 'Stay and Play' sessions continue to be very popular with both parents and children alike. Remember these sessions will be running during the summer holiday. 'Stay and Play' will be on Tuesday and Wednesday with morning or afternoon sessions available. Please pick up a flyer at reception for further details.

Recently both Ann and Linda had the opportunity to address the Alton Lions at one of their monthly meetings.

They were so impressed by the outreach work carried out by the Centre that as well as donating £1,100.00 from their annual 'Eggstravaganza' they have also donated a further £500.00. All monies will be going towards both the nursery and toddler gardens.

Alton Lions presenting cheques to Patti during Garden Opening on 11th June.

Friends of Bushy Leaze

An Open Day is being organised for Saturday 20th June from 10.00 a.m. to 12 noon. This will be an opportunity to look around the Centre, explore the new nursery garden, as well as join in all the fun! Light refreshments, a raffle, tombola, a bouncy castle and a few stalls will be available on the day, so remember to note the date in your diary.

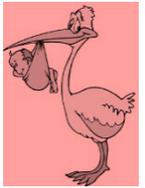

Garden News

The sun shone and with the guests gathered the nursery garden was finally given an official opening. More importantly it was a chance to thank those who had helped to support, fund and carry out work on the nursery garden. Those who were able to attend on Thursday 11th June were impressed to see how much the children enjoy using all aspects of the space. The mud kitchen proved popular and the sandy area, with a number of children playing around the grounded ship, looked marvellous with the sun shining so brightly. Every part of the garden has made such a difference to outside and creative play. One part of the garden even had a heavy rock concert going on in one corner, as a section was being used by three boys as a stage. Once again our thanks go to everyone involved in the project, as the children are really having a great time making use of the garden and it has opened up a wider range of learning experiences.

Thank you!

Congratulations to Beth, Craig and family on the arrival of Scarlett Rose, who has become the latest addition to the Tedder family. Scarlett Rose was born on the 26th May.

JOB FAIR

East Hants are holding a Job Fair at Forest Community Centre, Bordon, GU35 0BS on Thursday 9th July from 12 – 6.00 p.m.

Covering jobs and training in the local area. There will be free refreshments and workshops on effective job search techniques; interview techniques and exploring self-employment. Free bus transport is also available with a first departure leaving Alton Community Centre at 1.30 p.m. and a further bus leaving at 3.45 p.m. Buses will be making the return journey to Alton from 3.00 p.m. and 5.30 p.m.

For further details please contact info@employabilitygroup.co.uk or visit www.employabilitygroup.co.uk
